8	4,654	4,655	6,206	6,207	7,757	7,758	9,308
Sliding Fee	0%	25%		50%		75%	

Scales are based on 2021 Poverty Income Guidelines per Federal Register and Notices

- 1) Using either Table 1 or Table 2 locate the row with the number of family members in the household.
- 2) Then select the column with the appropriate income.
- 3) Drop to the bottom of the table for the Sliding Fee Scale.
- 4) For families/households with more than 8 persons, add \$5,680 for each additional person
