

Youth Apprenticeship Program

What We Offer

- Technical job skills
- Resumes & certifications
- Leadership development
- Relaxed farm environment
- Access to clinical services
- Food & housing support
- Personal development time

Our mission is to empower youth!

All in one place - Our farm shares space with a youth drop-in center to help meet basic needs and an experienced mental health clinical team.

Supporting success - We are a trauma-informed workplace, meet people where they are, and help youth transition to adulthood!
